Sir:

This is in response to the Office Action mailed December 13, 2001 in the above-referenced application. Please amend the application as follows:

In the Claims:

Please amend the following claims to read as shown:

2. An electro-acoustic system as in claim 1, in which the speaker is acoustically coupled to the other end of the sound conduction tube by a housing, said housing snugly engaging said sound conduction tube and said electrical cable.

15. An electro-acoustic system as in claim 1, wherein the electrical cable has an electrical connector attached thereto.
